

# Environmental Literacy Inquiry

FOR GRADE 3-5 TEACHERS

Explore San Diego County's diverse ecosystems and rich biodiversity

Increase your knowledge in watershed and climate literacy

Engage with local natural phenomenon

Strengthen your teaching network

APPLY ONLINE AT:

[HTTPS://BIT.LY/ENVIROINQUIRY23-24](https://bit.ly/enviroinquiry23-24)

## Inquiry Includes:

- 24 hours of training in environmental literacy over six Saturdays
- \$1,000 stipend
- Hands-on teaching techniques connected to complex science concepts
- Guest Speakers from local scientific and research institutions.
- Elementary appropriate resources and lessons around environmental literacy

Applicants from South Bay and those who apply in teams of two from school sites will be given priority.

### Inquiry Meetings: 9am-1pm

June 3, September 23, November 4 (2023)

January 20, March 16, April 20 (2024)

The program will take place predominantly outdoors and will include both coastal and inland communities from the North Coast to South Bay, and Escondido to Otay Regional Park.

**Application  
Deadline:  
May 21, 2023**
